This conference is a two-day event that will involve local, national and international speakers. Delegates from different faith communities are expected to participate.

To commemorate this special event we are printing a souvenir. An **A5 Souvenir** that will be treasured forever, having sweet pictures of Lord Krishna as well as verses from the "Bhagavat Gita": A publication that will act as resource, reference and guide for the whole family.

An excellent opportunity has been made available to showcase your products and services to a very spiritual audience. Advertising within the publication will be limited to 20% and only one or two will be included from each sector of business. Adverts from well-wishers for the event are also welcome. Thank you for supporting such an occasion and with that in mind may Lord Krishna bless your business and let it flourish just as a Lotus flower flourishes into a thousand beautiful petals coming from one stem through the dirty waters of *life*. The funds raised will cover the cost of the conference and the publication.

The cost of advertising internally is £501.00 in colour full page
