Arrival by train from England

- From London, the Eurostar train goes to Paris Gare de l'Est (Duration 2 1/2 hours), from the Gare de l'Est ICE trains go directly to Karlsruhe. (Duration again 2 1/2 hours) Then the journey continues to Pforzheim, (Duration max. 25 Minutes) where you have to change again to the train to Nagold-Stadtmitte (Duration of this journey about 60 Minutes).
